

ROAD TEST CONTRACT

Please post to:

Greyhound Adoption Program
3 Tonga Place, Ravenswood 7250

Name : _____

Address : _____

Telephone : (Home) _____ (Work) _____

I, the above named person, agree to take the said greyhound for the agreed upon period of 28 days for the purpose of evaluating his / her suitability as a companion animal. Furthermore I agree to abide by all of the conditions as specified below.

CONDITIONS :

The custodian will agree to keep the said greyhound at the above address.

If the greyhound becomes ill, the custodian will immediately report to GAP Tas (Greyhound Adoption Program Tasmania Inc.) and if required deliver the dog for inspection.

The custodian will provide the said greyhound with food, exercise, adequate care, treatment (when required) and carry out all instructions relating to the debriefing of the greyhound as directed by the association and upon the association's request will deliver the dog in good order to GAP Tas.

The custodian will permit the association to inspect the said dog at any time should this be requested.

If the custodian has taken reasonable care of the said dog and it is lost or injured, no liability will be attached to the custodian but they shall immediately report to the association and in the case of the loss of the greyhound, shall take reasonable steps to recover it.

The custodian will undertake that the animal will not be used for experimental or research purposes of any description and that the custodian is not a dealer or an agent of a dealer.

The association may terminate this agreement at any time before the said date on which the dog is to be returned and thereupon the custodian will deliver the dog as requested.

The association will not be liable for any damage caused by a dog in the care of the custodian.

The custodian will pay the Adoption fee of \$190, should the trial prove unsuccessful \$90 will be refunded when the dog is returned to GAP Tas.
